Centurion Sterilization Services, a division of Tri-State Hospital Supply, offers a complete line of contract packaging services. We provide our customers with a single source for all their product needs. We offer components, packaging, sterilization and laboratory testing – all at our own facilities. We are always available to assist you with design, development, sterilization and any troubleshooting you may need. Our highly experienced staff includes teams from production, laboratory, research and development and quality control. This means you will receive the highest level of service and the quality products you demand.
